

Using Technology To Drive Revenue & Profits

Joe Nemastil

Joe's 30 year career spans small, mid-size and enterprise-level companies. His company, **The NT Group, LLC** provides IT and communications technology solutions for small and mid-size commercial markets. Joe boosts companies' profits by identifying the technologies best suited to their size and needs.

"The NT Group reduced our cost of ownership by \$500,000 over five years." Jim Newman, Rust Consulting

As Founder and CEO of **Th!nkCreative Media Works**, Kevin helps companies reach more people, build stronger customer relationships and generate more revenue through digital marketing solutions while reducing costs. His unique interactive solutions will show you how to gain control of your marketing and get better results.

Kevin Ehlinger

"Kevin and his team are full of great ideas. They have increased traffic to our website by over 300%." Julie Lunning, Granite Country
